TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, under the authority vested in it by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The Fair Political Practices Commission will consider the proposed regulations at a public hearing on or after December 13, 2002, at 9:30 a.m. Written comments must be received at the Commission offices no later than 5:00 p.m. on December 11, 2002.

BACKGROUND/OVERVIEW

Proposition 34 created contribution limits and voluntary expenditure ceilings for state candidates (Government Code sections 85301, 85302, 85303 and 85400.) Government Code section 83124, added by Proposition 34, provides the FPPC with the statutory mandate to adjust the contribution limits and voluntary expenditure ceilings on January 1, 2003 to reflect changes in the annual average California Consumer Price Index (CPI). Regulation 18544, adopted by the Commission in August 2002, created the formula for the adjustment of the contribution and voluntary expenditure limits. The formula contained in regulation 18544 mirrors the formula used for biennial adjustment of the gift limit.

REGULATORY ACTION

Adopt 2 Cal. Code Regs. § 18545.

The proposed regulation reflects the adjusted contribution limits and voluntary expenditure ceilings for state candidates for the period of January 1, 2003 through December 31, 2004.

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, under the authority vested in it by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The Fair Political Practices Commission will consider the proposed regulation at a public

hearing on or after December 13, 2002. Written comments must be received at the Commission offices no later than 5:00 p.m. on December 11, 2002.

BACKGROUND/OVERVIEW

Proposition 34 added to the Political Reform Act section 85305 which restricts contributions between state candidates and officeholders. Section 85305 states as follows:

“A candidate for elective state office or committee controlled by that candidate may not make any contribution to any other candidate for elective state office in excess of the limits set forth in subdivision (a) of Section 85301.”

At its August 9, 2002, meeting, the Commission adopted regulation 18535 on an emergency basis to clarify some issues of interpretation that had arisen concerning contributions between state candidates. The regulation responds to questions that had been raised concerning the application of the limit, including (1) whether the limit amount was \$3,000 across-the-board, or whether it was \$3,000, \$5,000 and \$20,000, depending on the office of the candidate; (2) to which committees of a state candidate or officeholder the limit applies; and (3) when section 85305 took effect.

The regulation was adopted on an emergency basis because of the proximity of the November 5, 2002, elections. The emergency regulatory action became effective on August 19, 2002, and will expire on December 18, 2002. The Commission will consider adoption of regulation 18535 on a permanent basis at its December 13, 2002 meeting.

REGULATORY ACTION

Adopt 2 Cal. Code Regs. § 18535

Proposition 34 added to the Act section 85305 which restricts contributions between state candidates and officeholders. Regulation 18535 interprets the limit on contributions between state candidates and officeholders set forth in section 85305.

Subdivisions (a) and (b) of regulation 18535 clarify that the amount of the limit on contributions between state candidates under section 85305 is \$3,000, as adjusted for inflation, and that the \$3,000 limit applies across-the-board for all state candidates, rather than varying in amount depending on the office.

Subdivision (c) of regulation 18535 provides that the \$3,000 limit of section 85305 applies to the aggregate total of contributions from the candidate and committees controlled by that candidate, rather than permitting contributions of \$3,000 from the candidate and \$3,000 from his or her committee, for a total of \$6,000. Subdivision (c) further provides that the definition of “controlled committee” in section 82016 and regulation 18217 are applicable.

Subdivision (d) of regulation 18535 interprets section 85305 to apply to contributions made by a state candidate and *all of his or her controlled committees*, regardless of whether a committee is pre-2001 or post-2001. Subdivision (e) of regulation 18535 states the delayed effective date of the section 85305 limits for statewide candidates, because portions of Proposition 34 do not become applicable to candidates for statewide elective office until after the November 5, 2002 election.

FISCAL IMPACT STATEMENT

Fiscal Impact on Local Government. This regulation will have no fiscal impact on any local entity or program.

Fiscal Impact on State Government. This regulation will have no fiscal impact on any state entity or program.

Fiscal Impact on Federal Funding of State Programs. This regulation will have no fiscal impact on the federal funding of any state program or entity.

AUTHORITY

Government Code section 83112 provides that the Fair Political Practices Commission may adopt, amend, and rescind rules and regulations to carry out the purposes and provisions of the Political Reform Act.

ADDITIONAL COMMENTS

The Commission may make changes to the proposed regulation before its adoption or repeal. After the hearing, the Commission may adopt or repeal the proposed regulation if it remains substantially the same as described or as in the text originally made available to the public. If no changes to the language of the emergency regulation are made, the Commission may adopt the regulation on a permanent basis by filing a certificate of compliance with the Office of Administrative Law. If changes to the regulatory language are made, the Commission may repeal the emergency regulation and adopt a modified version.

BACKGROUND/OVERVIEW

The gift limit is adjusted biennially by the Commission to reflect changes in the annual average California Consumer Price Index ("CPI"). (Government Code sections 87103(e) and 89503(f).)

REGULATORY ACTION

Amend 2 Cal. Code Regs. §§ 18703.4, 18730, 18940.2, 18942.1 and 18943.

The proposed amendments reflect the adjustment of the gift limit from \$320 to \$340 for the period of January 1, 2003 through December 31, 2004.

After the hearing, the Commission may adopt the proposed regulations if they remain substantially the same as described or as in the text originally made available to the public. TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, under the authority vested in it by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The Fair Political Practices Commission will consider the proposed regulation at a public hearing on or after December 13, 2002 at 9:30 a.m. Written comments must be received at the Commission offices no later than 5:00 p.m. on December 11, 2002.

BACKGROUND/OVERVIEW

The conflict-of-interest provisions of the Political Reform Act (sections 87100–87104) and the Commission’s regulations thereunder (regulations 18700–18708) generally prohibit a public official from making, participating in making, or influencing a governmental decision when the decision will have a reasonably foreseeable material financial effect upon one or more of the official’s economic interests. To determine whether a reasonably foreseeable financial effect is material, or significant, the Commission’s regulations first identify the nature of the economic interest and then determine whether that interest is directly or indirectly involved in the governmental decision. When a business entity is an economic interest to a public official (regulation 18703.1) and a governmental decision will have a reasonably foreseeable financial effect on that business entity, the standards under which that financial effect will be deemed material are found at regulation 18705.1.

The materiality standards at regulation 18705.1 are a sliding scale, under which a business entity of comparatively larger size may incur a greater financial effect, before that effect is deemed material. Phase 2 of the Commission’s Conflicts Regulations Improvement Project included amendments to these materiality standards, effective February 1, 2001. These amendments produced the present four categories under which business entities are ranked by size. The Commission is considering additional amendments to

regulation 18705.1 that would re-define certain of the criteria under which business entities would be categorized by size.

REGULATORY ACTION

Amend 2 Cal. Code Regs. section 18705.1

The proposed amendments would substitute earnings before taxes as an alternative criteria for ranking the size of business entities comparable in size to business entities listed on the New York Stock Exchange. Net income and earnings before taxes would be substituted as alternative criterion for ranking the size of business entities comparable in size to business entities listed on either the American Stock Exchange or NASDAQ. Self-adjusting dollar thresholds under these criteria would define under which category, between these two, a particular business entity would rank. The proposed amendments would eliminate the present alternative standard of “meets the financial criteria for listing” on either the New York Stock Exchange, American Stock Exchange or NASDAQ. Finally, regulation 18705.1 would be amended to define “earnings before taxes” and “net income”.

Fiscal Impact on State Government. This regulation will have no fiscal impact on any state entity or program.

Fiscal Impact on Federal Funding of State Programs. This regulation will have no fiscal impact on the federal funding of any state program or entity.

Submit comments to: Joe Maguire, Chief Counsel, 3rd Floor Law Office, 1227 "O" Street, Sacramento, CA 95814.

AUTHORITY AND REFERENCES

Military and Veterans Code 700 authorizes the Department to adopt the proposed regulations, which would amend Title 12, Division 2, Sections 450 and 453.1 of the California Code of Regulations. The purpose of the amendments to these regulations is to implement, interpret, and make specific Section 972.2 of the Military and Veterans Code.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The Department proposes to amend sections 450 and 453.1 of Title 12 of the California Code of Regulations (CCR). These sections pertain to the distribution of the Veterans Service Office Funds (VSOF). These funds will be used to develop and implement a training program for County Veterans Service Officers/Veterans Claims Representatives. This training program is necessary to achieve and maintain accreditation, pursuant to C.F.R., Title 38, Sections 14.629 through 14.634, and to keep veterans representatives proficient and apprised of current rules and programs benefiting veterans.

The purpose of the proposed amendment to the regulations is to amend the manner in which the veterans service office fund is distributed. Presently, the Veterans Service Office Fund is distributed pursuant to the following scheme: 1. \$1.00 to Departmental headquarters from each veterans license plate fee collected, without limitation as to total amount, for administration, promotion, and training; 2. The remainder on a pro rata basis to the participating counties, based on total net expenditures of those counties and including the Department counted as a single entity.

The proposed amendment to regulation section 453.1 of Title 12 for expenditure of the Veterans Service Office Funds is as follows: 1. \$2.00 from each veterans license plate registration fee paid will go to Departmental headquarters for administration, promotion, and related costs, other than training, with a limitation of \$30,000 per fiscal year; 2. The California Association of County Veterans Service Officers (CACVSO) shall receive \$30,000 per fiscal year for the purpose of development, implementation and operation of a Veterans Service Officer/Veterans Claims Representative Training Program; 3. Each county qualifying for VSOF money shall receive \$1000 per fiscal year to be used for education and training at CACVSO conferences; and 4. The remaining funds shall be distributed to each participating county on a pro rata basis by comparing total net expenditures to total amount of VSOF funds.

The Department also proposes to amend section 450. This section pertains to definitions as used in Title 12, CCR, Sections 451, 452, 453, 454, 455.

The purpose of the proposed amendment to the regulation is to add the definition of the California Association of County Veterans Service Officers, Inc. (CACVSO) and state its purpose because this association is added in the proposed amendment to Title 12, CCR, Section 453.1.

DISCLOSURES REGARDING THE PROPOSED ACTION

The Department has made the following initial determinations:

Mandate on local agencies and school districts: None.

Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government code sections 17500 through 17630: None.

Other nondiscretionary cost or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or businesses: The board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Adoption of these regulations will not:

- (1) Create or eliminate jobs within California;
- (2) Create new businesses or eliminate existing businesses within California; or
- (3) Affect the expansion of businesses currently doing business within California.

Significant effect on housing costs: None.

Effect on small businesses: None. This regulation does not affect small businesses because it merely shifts the training responsibilities for County Veterans Service Officers from the Department to the California Association of County Veterans Service Officers (CACVSO) with a corresponding shift in funding.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Department must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

The Department invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Pursuant to CCR section 2050, any person under the board's jurisdiction may appeal any decision of the board which affects that person. The general grounds within which an appeal may be submitted include: 1) the decision was based on incorrect or incomplete information which, if correct or complete, might have resulted in a different decision; 2) an error of judgment led to a decision which was unreasonable in view of the facts; 3) the decision was illegal because the board did not have the legal authority to make the decision; or 4) the decision violated the board rules. The prisoner or parolee shall submit the appeal within 90 days of receipt of written confirmation of the decision. The Board Appeals Unit will make a decision to either: 1) order a new hearing; 2) deny the appeal; 3) make a new decision; or 4) dismiss the appeal.

The proposed modifications to the regulations will clearly establish the parolee or prisoner's procedural responsibilities when filing an appeal and specify to whom the appeal shall be submitted in accordance with CCR section 2052. This regulatory amendment will also specify time frames within which the board shall respond to these appeals and establish exceptions to the time frames in the event it is not feasible to answer the appeal within the specified time frame. In the event the appeal is not answered within the given time frame, the parolee or prisoner will be deemed to have exhausted their administrative remedies and may seek judicial review, pursuant to CCR section 2054(c).

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Penal Code section 3052 vests with the Board the authority to establish and enforce rules and regulations under which prisoners committed to state prisons may be allowed to go upon parole outside of prison when eligible for parole.

Pursuant to Penal Code section 3041, the Board (during the third year of incarceration) is required to meet with each inmate for the purposes of reviewing the inmate's file, making recommendations, and documenting activities and conduct pertinent to granting or withholding post-conviction credit. One year prior to the inmate's minimum eligible parole release date, a panel consisting of at least two commissioners of the Board shall conduct a parole suitability hearing.

The proposed regulatory amendments are designed to clarify the documentation hearing process for life prisoners and to implement the necessary changes to sections affected by the repeal of CCR section 2267 that make reference to recommendation hearings. Recommendation hearings were held to review the files of life prisoners to make recommendations as to the type of conduct and programs which would be beneficial to the prisoners to enhance the possibility of a grant of parole.

The objective of the documentation hearing is virtually the same as the repealed recommendation hearing. Procedural changes to the documentation hearing process (CCR § 2269.1) include modifications to the composition of the hearing panel and elimination of language referring to subsequent documenta-

tion hearings. Modifications to CCR section 2369 will delete reference to recommendation hearings and define the documentation hearing process for multi-jurisdiction prisoners, providing for prisoners located outside of California, to utilize videoconferencing as a means of participating in their documentation hearings.
